

SHIPPING

Up to \$10.00 shipping will be \$3.00
\$10.01 to \$50.00 shipping will be \$5.00

Add \$1.00 for USPS Delivery Confirmation (suggested on all shipments)

The above prices are for USPS mailing to the USA. Email me for international rates.

I'm not out to rip you off on postage, so let's be real. Say you order a package of spark plug wire. We both know it'll cost only an envelope and a first class stamp to go across the country. We'd be looking at only \$0.50 in shipping. Same with many other small items. Bucket seats must be shipped in a box, so I need to charge the above amount.
